## LABOR ATTITUDE IN THE CAMPAIGN

Denis Hayes Declares That The Bulk  
of The Vote Will Be  
For Bryan.

### OFFENSE GIVEN BY CANNON.

Pittsburg Organ of Labor Objects to  
Attacks of Gompers on  
Taft.

ATLANTA CITY, July 31.—Denying  
that the opposition of organized labor  
to the Republican party began with the  
failure of the Chicago convention to  
put the anti-injunction plank demand-  
ed in its platform, Denis A. Hayes vice  
president of the American Federation  
of Labor and president of Glass Bot-  
tle Blowers' Union, now in conference  
here with the employers, laid the fault  
at the door of Speaker Cannon. Mr.  
Hayes said the "moral courage" of Mr.  
Bryan had fired the interest of the  
labor men, and that Speaker Cannon's  
treatment of them in the recent session  
of Congress had affronted them, and  
that between the two "it was extreme-  
ly likely that the bulk of the labor  
vote would be Democratic."

Mr. Hayes denied that any effort  
would be made by Samuel Gompers to  
influence the members of the American  
Federation of Labor to support the  
Democratic ticket, other than to show  
to them clearly the difference in the  
treatment the two conventions gave the  
requests he preferred.

"We have resented the arbitrary  
fashion with which we were treated by  
Speaker Cannon last winter," he said,  
"and although I believe that the solid  
labor vote would go to Roosevelt or to  
support his candidate if his honorable  
intentions toward us could have pre-  
vailed. I think the attitude of Mr.  
Cannon and the men in the House of  
Representatives have wholly nullified  
the kindly efforts of Mr. Roosevelt.  
We do not care anything about par-  
tisan supremacy, nor about the several  
virtues of the candidates. We are  
not primarily interested in politics, as  
a body, but we do want our rights as  
citizens, and we will naturally lend  
our votes to the party which appears  
most likely to further our ends."

"We know that organized capital  
went to Chicago to influence the Re-  
publican convention. We believe that  
it succeeded. We know that the Re-  
publican anti-injunction plank is dis-  
ingenuous and evasive. Its Phrase-  
ology is an affront to us. Its cautious  
protection of the dignity of the courts  
is wholly unnecessary, considering that  
we never attacked it. We want abuses  
curtailed, but we are not clamoring  
for anarchistic impertinence to the  
recognized order of things."

"Mr. Cannon's high handed dismis-  
sal of our appeals on the ground that  
'labor men want special legislation' is  
not only absurd and unfair, and tend-  
ing to strain our friendliness to all  
things Republican, but it is absolute-  
ly untrue. All we want is a restric-  
tive law upon courts which it would be  
idle cavilling to say have not at some  
time laid themselves open to charges  
of corruption. He treats us as if we  
were a herd of ignorant unlettered, un-  
enlightened men who are clamoring  
for special enactments, as if we were  
not American citizens."

"It is past the limit of human achie-  
vement now to deliver the labor vote  
in a lump sum to any political party.  
The labor men are not analytical, and  
they rarely think things out, but they  
have a way of feeling situations. They  
know that by an insidious and slow-  
growing change in industrial process-  
es it has become possible to produce  
articles in this country and sell them  
in others at less cost than the factories  
of the other countries can produce  
them for themselves. Labor men see  
suddenly that the protective tariff shoe  
has got onto the other foot, and that  
the first thing we know we will have  
to be facing the tariffs of other coun-  
tries protecting themselves against  
us."

PITTSBURG, July 31.—The Labor  
World in its issue today says:  
"That Secretary Taft is a true friend  
of labor is certain, and all the untrue,  
ungenerous, vicious attacks that Pres-  
ident Gompers or any one else may  
make on him cannot prevent him from  
continuing to be the friend of the  
wage worker. Organized labor can-  
not afford to have itself split up into  
factions on this political issue. That  
President Gompers is wrong in forcing  
this most ominous fight is certain, and  
intelligent wage workers will certain-  
ly come to this conclusion."

EXPLAINED AT LAST.  
"Because" is essentially a woman's  
word," growled the mere man. "Every  
time a woman gives 'because' as a rea-  
son for anything, she exposes the in-  
feriority of the feminine mind."

"She doesn't do anything of the  
kind," snapped the woman with the  
protruding chin. "She merely exposes  
the inadequacy of the English lan-  
guage when it comes to explaining her  
finer mental operations."

### ANOTHER REPUBLICAN CANDIDATE IN TENNESSEE.

State-Wide Prohibition the Feature  
of the Platform Which Was  
Adopted.

NASHVILLE, (Tenn.), August 12.—  
George N. Tillman of Davidson coun-  
ty, is the gubernatorial nominee of  
that part of the Republican party in  
Tennessee known as the Evans fac-  
tion. He was nominated by acclama-  
tion today at the close of the second  
Republican State convention held in  
Tennessee this week. Great enthusi-  
asm marked the nomination of Till-  
man and the adoption of a platform  
containing a plank providing for State-  
wide prohibition of the liquor traffic  
through the extension of what is  
known as the four-mile law.

The nomination of Tillman makes  
two Republican candidates in the field  
for Governor of Tennessee. T. Ashbury  
Wright was nominated by the "Home-  
rule" faction at Chattanooga Monday.

AN OPEN QUESTION.

some money. Did you find a tear in  
my pocket?

## You Want Your Ads Read

### Here Is Some Advice—

Honolulu more than any other  
city in the World, is a place where  
the Evening Paper gets the news  
first. The clock here is over two  
hours behind the clock at San  
Francisco, four hours behind  
Chicago, five hours behind New  
York and ten to eleven hours  
behind the clocks in the Europe-  
an capitals.

This means that when The  
Star is going to press THE DAY  
IS CLOSED in Washington, Chi-  
cago, New York and Europe and  
almost over in San Francisco.  
The news of the day is here for  
The Star.

Under modern conditions it  
takes practically no time to pre-  
pare and transmit news and THE  
STAR gets every evening the  
patches giving

## The News Of All the World

For the Day Just Ended—

Here are some of the features that go to make the evening paper  
the predominating factor in an advertising campaign:

It is delivered at the home each night when the whole family has  
plenty of time to read it.

It is carried home by the business man when his day's work is  
done and it stays there. A morning paper is usually carried down  
town by the head of the family and hurriedly read.

The evening paper is not read hurriedly, but thoroughly, so that  
all the advertisements receive their share of attention.

It presents the store news a little ahead, giving the prospective  
purchaser time to plan a shopping tour for the next morning.

The evening paper presents the news the day it happens. The  
morning paper the day after.

The evening paper presents the news first. The morning paper  
merely elaborates it.

The evening paper prints daylight news. The morning paper takes  
what is left.
